DARLENE K. MATEJKA, O.D.
Redlands Optometry Group, Inc.

Dr. Darlene Matejka has been practicing optometry in the Inland Empire for over thirteen years. She cares for patients of all ages and provides comprehensive family friendly exams. Redlands Optometry Group is a long established practice that carries a wide range of fashion eyewear and contact lenses.

Dr. Matejka has been a resident of the IE for most of her life.

She obtained her Optometry degree from Nova Southeastern University in Florida. Dr. Matejka is a member of the American Optometric Association, California Optometric Association, and leads the Inland Empire Women in Optometry Group.

At Redlands Optometry Group, we believe in giving back to our community, by working with the Boys and Girls Club and the Lion's Club helping underprivileged children.
